Local Dentist Earns Fellowship in National Academy

Chicago, IL – At the American Academy of Implant Dentistry's 2009 Annual Meeting, which was held in New Orleans, Louisiana, November 11 – 15, Pankaj Singh, DDS of Garden City, New York was recognized as a Fellow of the American Academy of Implant Dentistry. As one of 287 dentists who hold this distinguished membership, Dr. Singh is one of the nation's leading experts in implant care. Dr. Pankaj Singh maintains a dental practice at 901 Stewart Avenue.

To qualify for Fellowship, Dr. Singh was required to document for review by an expert panel of dentists that he was a Diplomate of the American Board of Oral Implantology/Implant Dentistry, the certifying board that the Academy sponsors, and provides both the surgical and restorative phases of implant treatment. In addition, the panel reviewed Dr. Singh's professional and leadership credentials and his commitment to excellence in implant dental practice and to the Academy's standards for ethics and patient welfare.

The American Academy of Implant Dentistry is the oldest professional organization in the United States that is dedicated to the advancement of the implant field. Its more than 3,600 members include general dentists, oral and maxillofacial surgeons, periodontists, and prosthodontists. The Academy's Associate Fellow and Fellow credentials are a testament to excellence in implant dentistry.
