

When you aim for the skies, you acquire the star.

You can tell a lot about a man by the car he drives. And when that happens to be a

Mercedes-Benz, be prepared to meet an exceptional man. Dr. Pankaj Singh. A man of vision.

A compassionate dentist. An indulgent father. A man who loves life, and lives it to the fullest.

Whether it is pioneering a new technique in laser surgery, or being a doting Dad to his two

adorable children or simply basking in the exuberance of driving his favorite Mercedes-Benz,

he lives the moment with karmic intensity. **Unlike any other.**
